
2022 NAGRA

ANNUAL TRAINING AND EDUCATION

CONFERENCE

NAGRA

JUNE 7-9, 2022

WESTIN PORTLAND HARBORVIEW | PORTLAND, MAINE

ABOUT THE CONFERENCE

The North American Gaming Regulators Association (NAGRA) invites all Trade Affiliate members and gaming industry professionals to take a special role in the organization's Annual Training and Education Conference for 2022.

NAGRA recognizes that regulators have a unique opportunity to learn about emerging technologies, types of gaming and industry servicesfrom the many firms that support the gaming industry.

Our members are interested in seeing and learning firsthand about your product and services. We encourage you to review the display and sponsorship opportunities detailed in this brochure and to review the conference agenda to see the high-caliber training programming that is central to this conference.

We have designed these display and sponsorship opportunities with high respect for rules that regulators need to follow. For example, that is why we do not have specific refreshment breaks or lunches sponsored by any one particular firm, as it might preclude a regulator from participating in that activity if they have any kind of regulatory relationship with that firm.

The opportunities were designed specifically to:

1. Give trade affiliate members and other firms greater visibility in front of the regulatory community.
2. Help educate regulators about emerging and current gaming technologies.
3. Showcase your company's specific technology to upper level regulators in North America.
4. Support NAGRA in continuing to offer an annual conference with high-quality training and education opportunities for regulators.

NAGRA APPRECIATES YOUR CONSIDERATION AND SUPPORT!
